Avent, Joseph
Published: Oct. 12, 1918

It is with deep regret that Moss Point friends learned Monday of the untimely death of Joseph Avent, who only a few months ago was married to Miss Emma Delmas of this city. Young Avent was the son of Mr. and Mrs. Carson Avent of Leaf and was in training at Camp Pike, where he developed pnuemonia, which resulted in his death. Accompained by Mrs. Avent, who had gone to Camp Pike a few days previous, his body was brought home and laid to rest in the family burying ground at Avent, Miss.
